

November 7, 2017

Dear Members of the LBHPOA,

I would like to formally put my name forward for a position on the Board of Directors of the LBHPOA and humbly ask for your vote.

I am a Canadian citizen but have been part of Long Bay since 1991 and have been certified permanent resident of Turks and Caicos since 2002. Many of you know us as the owners of Three Dolphins Villa. We also have 3 other properties in Long Bay. I have been a "behind the scene" activist and supporter for many projects and issues in Long Bay. During the original 2009 paving project I garnered support from others in Long Bay and contributed significantly to ensure the paving could be done which started in January 2010. I introduced people together to facilitate paving on Lignum Vitae. I have recruited residents to join the LBHPOA as well as gathered proxies so that we would have a quorum for AGM and important issues.

My past board experience includes being elected to and serving on the board of the Ontario Dental Association which governs over 10,000 dentists in Ontario. During my 6 year tenure as director, I have served on many committees: chair of the audit committee, accommodation task force, ad hoc governance committee. For my continuing work, my confreres have elected me fellowship in the honour societies of Academy of Dentistry International, Pierre Fauchard Academy and the International College of Dentists. For the last 4 years, I have served on the board of the Accerta Insurance company and also on their audit committee. Accerta is a certified B corp and a social enterprise that manages government benefit plans such as dental, vision, drugs, extended healthcare.

We are involved in many real estate properties in Ontario and British Columbia in Canada as well as a number of properties in Michigan and South Carolina. We belong to property associations in those areas and believe in association's important roles to: Establish Security; Preserve the environment and modify development if necessary; Regulate green spaces for the benefit of all.

I can be reached at 519-872-6238 or [drdonnagreen@gmail.com](mailto:drdonnagreen@gmail.com).

I have worked with many of you and ask for your support in this election.

Best regards

DR DONNA GREEN, MSc, DDS.
